Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Notice to comply with Requirements for Applications containing Sequence Disclosures mailed September 26, 2000, the errors pointed out in the office action were corrected on the disk copy as requested:

A substitute computer readable form (CRF) copy of the "Sequence Listing" is enclosed.

PATENT
Docket No. 041673/2007
Serial No. 09/215,569

In connection with the Sequence Listing previously submitted, the undersigned hereby states that:

1. the content of the previously submitted paper copy and the enclosed computer readable copy of the Sequence Listing, submitted in accordance with 37 C.F.R. § 1.821(c) and (e), respectively, are the same; and
2. the submission, filed herewith in accordance with 37 C.F.R. § 1.821(g), does not include new matter.

Remarks

In the unlikely event that the transmittal letter is separated from this computer readable form of the sequence listing and the U.S. Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this sequence listing to our **Deposit Account No. 50-0872**. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
